Grill GR 1360

This compact contact grill GR 1360 is ideal for any starter. Whether you're a student, just living on your own or as a cozy couple.

You grill delicious paninis, burgers, fish, chicken, vegetables or just a tasty steak. Easy and healthy, and with grease collector.

FRITEL, Tastefully created !

- 1300 Watt
- 25 x 31,5 x 11,5 cm
- 2,1 kg

Unique product advantages

- Compact grill
- With fixed plates for optimal grilling results
- Practical soft touch handle
- Adjustable thermostat with 6 levels
- Massive aluminum grill plates
- No adherence thanks to the non-stick coating
- Removable grease collector: The cooking fat and juices released during grilling end up in the grease collector = healthy and fatfree!
- Locking function
- Fold-out feet: By folding out the feet, the fat from the food is better and faster drained into the grease collector.
- Automatic thickness adjustment: The distance between the plates is automatically adjusted (0-3cm) according to the thickness of the food.
- Grilling surface: 27 x 16
- Capacity: 1 to 2 persons
