Turbo SF® 4368

This FRITEL deep fryer is equipped with a double heating element that allows you to fry up to 50% faster. The fries are seared faster, so they are crispier, less fatty and healthier! This is the ultimate secret of real Belgian fries! Unique and patented, only by FRITEL! A nice extra is the special fat melting mode for solid frying fat.

FRITEL, Tastefully created!

- 4 L
- 3200 Watt
- 38 x 24,4 x 31 cm
- 1.35 kg

Unique product advantages

- Cool Zone fryer with patented double heating element
- The ultimate secret of real Belgian fries = Patented double heating element
 - Up to 50% faster frying
 - More crispy and less greasy fries, therefore healthier
 - Faster, therefore energy-saving
 - Solid fat can be used thanks to the solid fat melting position
- Double heating element = reaches temperature faster thanks to active cool zone
- SAFE: triple safety against overheating.
- Frying temperature manually adjustable from 150-190°C and separate position to melt solid fat
- Stainless steel housing and anti-dust lid with black transparent finishing
- With Cool Zone :
 - Frying residues sink to the bottom and don't burn
 - The frying oil stays clear and lasts 3x longer
- EASY CLEANING
 - Completely dismountable
 - Bowl, housing and anti-dust lid are dishwasher proof
 - Special hanging block for easy cleaning of the difficult part of the heating element
- For 3-5 persons
- Non-skid feet
- 10-year warranty with online registration
